

# ARKANSAS S\*M\*A\*R\*T H O G S NEWSLETTER

October 25, 1993

The Region Two Muster, hosted by our chapter, was a great success with -fifty -five (.55) rigs present. All chapters in our region were respresented as well as members from regions one, three and four,

Although arrival day was Tuesday October 5, twenty -four rigs arrived Sunday October 3, and twenty one arrived Monday October 4, with only eleven arriving on October 5.

Almost everyone present attended the Dinner Theater at the EH Club on Wednesday evening; the food was great and everyone seemed to enjoy the four one act plays put on by the Little Rock AFB players,

I'm told thai: the ladies enjoyed their luncheon very much and received some good ideas from guest speaker Linda Adams, Home Economist from First Electric Co-op.

The chili supper Friday night was outstanding. Our Chef Marion Owens and his helper Mac McKinney spent the day preparing the Chill and trying to keep the rain from blowing in under the Canopy,

During the muster, arts and crafts classes were presented, LRAFB Hospital conducted a Seminar on Champus, Frank Smith conducted a Seminar on SMART Travel and Rv safety, Farris Reid conducted a Seminar on Space-A Travel and region chapters held their chapter meetings.

It wasn't all business as many hours were spent playing pinochle, svn, mexician dominos, acy-ducy, and cribbage,as well as just visiting.

We also had tournaments in bowling, horseshoes, washers, acy-ducy, and cribbage.

Saturday night our farewell dinner was held at the EM Club, the food was great and at that time awards were given to the winners of the tournaments.

Sunday morning goodbyes were said to old and new friends and plans made to meet at the National SMART Muster at Myrtle Beach in April,

If you plan to go to Myrtle Beach and want to park together as a chapter we have to call their 800 number and reserve the spaces and make a \$20,00 deposit -for each space. Let me know by 1 December if you are planning on making the National Muster and want to park together.

The next muster of the Arkansas Smart Hogs will be held at the Holiday Travel Park, Marion,, Arkansas, 16 through 20 May, 1994= Arrangements have also been made for a muster at Grand Lake Cedar Oal< RV Park, Grove, Oklahoma, 19 through 23 September, 1994 =
